CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.
- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.
- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
